Dear Mr. Gentry:

We have received the Claim to a Water Right and Application for Permit that you recently submitted.

However, These two filings appear to be for the same use and from the same source. If it is the same system then it would probably be best for you to file the Claim to a Water Right claiming the 1973 priority date. A Claim can be filed on a groundwater source, with a priority date past the March 25, 1963, date only if the use is for domestic.

We could accept this Claim as you have submitted the \$30.00 filing fee, however, your signature must be notarized on the back of the Claim form. Therefore, we are returning the Claim form to you to be notarized and returned. We are also returning the Application for Permit to you. If this was, in fact, filed for another domestic use to be started it should be returned along with the \$30.00 filing fee and the notarized Claim form.

If you have any questions concerning these filings, please contact us.

Sincerely,

Jan Grover
