MEMORANDUM

TO: File No.

FROM: Gary Spackman

DATE: June 29, 1988

RE: Place of Use Description

On June 21, 1988, Wayne Johnson, a member of the Crane Creek Reservoir Board, filed a claim to a water right with me in the state office. In reviewing the claim with him, I discovered that the place of use had not been described. Wayne Johnson explained that the irrigation system irrigates in excess of 25,000 acres. The map attached as an exhibit, clearly covers more than 25,000 acres. Because of the size of the system, I believe this meets the statutory exemption for large developments in describing the place of use. I recommend that we accept the claim in its present form.
