RE: Claim to a Water Right

Dear Mr. & Mrs. Kuntz:

I am returning the claim to a water right along with check no. 92-103 that you recently sent to us because the priority dated listed on your claim is not specific enough to have much meaning and there appears to be a mistake in the land list. I have taken the liberty of filling out a new claim for you leaving the priority date for you to fill in with a more specific date. I have made several minor changes in your claim: 1) listing the domestic and stockwater uses separately and 2) listing rates of diversion in cubic feet per second while keeping volumes the same. To complete the filing, if you agree with my changes, just fill in a priority date, sign the claim before a notary, and return it along with the \$10.00 filing fee.

Please note: If you want to file your claim as you originally submitted it, just correct the land list and return it to us along with the \$10.00 filing fee. I must warn you though, in my opinion, a filing with an unsubstantiated priority date is of dubious value.

If I can be of any further assistance feel free to contact me.

Sincerely,
