Dear Mr. Shepherd:

This office acknowledges receipt of two (2) water right claims and one (1) application for permit together with a \$20 filing fee.

A review of the documents appears to show that the application is a duplicate of information shown on one of the claims. For that reason, the claims will be received and receipted (\$10 per claim) and the application is being returned to you. If the information on the claim and the application are in fact duplicates, the application should be discarded.
