Dear Mr. & Mrs. Kautz:

Please find enclosed your claim, check, and a copy of your claim. I have filled in or circled the areas of question in red that need to be completed.

Please read Section 4 concerning the priority date claimed. A claim for anything except domestic use cannot be accepted with a date later than March 25, 1963. I believe your claim is for irrigation and, therefore, cannot be accepted. A domestic claim may be submitted; domestic is household use of water, livestock watering, and up to half an acre of irrigation. You may want to change the use to domestic and from Jan. 1 to Dec. 31, or year around use, to cover the half an acre of irrigation.

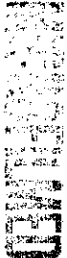

In Item 5 the point of diversion is going to have to be in either the SW $\frac{1}{4}$ SW $\frac{1}{4}$ or SE $\frac{1}{4}$ SW $\frac{1}{4}$, it cannot be both. The lot will have to be in one or the other unless the 40 acre line cuts through your lot. If you have any questions, please feel free to contact us.

Dear Mr. Sisco:

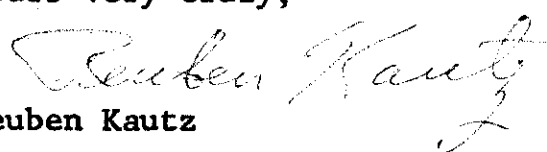

Thank you for your letter of April 5th, 1977.

We are returning the application and hope it has been filled out right.

On the back side of the application the County Assessor's office drew out Section 30 and put a dot where the well is. This is kind of hard because our one-half acre is located in the SE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of the SE $\frac{1}{4}$.

If there is anything else you need please let us know.

Yours very truly,
