STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES
Section 42-225a, Idaho Code

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. **The filing of this claim does not confirm the water right but will serve for information purposes only.** It may, however, become the basis for future adjudication of the water right by the Court.

Notice is hereby given that EVERGREEN FOREST PRODUCTS, INC.
(name of claimant)

of P. O. Box 348 New Meadows, Idaho 83654, claims a right to the diversion and beneficial use of
(mailing address)
the public water of the State of Idaho

The extent and nature of said claim is as follows:

- (1) Describe source of water: (name of stream, lake, spring, etc., or ground water) spring
tributary to, West Fork Weiser River
- (2) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

Re: Claims No. 67-4130 and 67-4131

Gentlemen:

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with this office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of further assistance, please feel free to call upon us.

Sincerely,

KENNETH H. FOIT, P.E.

Gentlemen:

In reference to the above claims, the enclosed is a copy of an exception filed by the shareholders of the Seavey Robertson Ditch Co., in connection with this claim under the provisions of Chapter 2, Section 42-225b of the Idaho Code, which states the following:

"At anytime after filing a claim under the provisions of this section, any person who disagrees that a right has been established as set forth in said claim may file an exception thereto in duplicate, in affidavit form, accompanied by such proof as said person deems appropriate. An exception filed shall be made a part of the file of the claim in the department of reclamation (renamed department of water administration on July 1, 1970) and shall be considered the same as other evidence in said file. A copy of an exception filed shall be forwarded to the claimant by the department of water administration. Such claims may be corrected by the claimant only by filing of an amended claim in the same form as the original which shall be recorded and numbered by the department the same as the original and for which no additional filing fee shall be required.

Only the above action has been contemplated by the Idaho Legislature and we are not authorized to hold hearings or evaluate for conformation or final censorship of the described rights.

If we can be of further assistance, please contact us.
