Dear Mrs. Harvey:

I am returning your check #92-293. I mistakenly asked you to submit a filing fee with your amended claim and no fee is required for this amendment.

The period of use listed on your amended claim is from April 1 to September 15, not from May 1 to July 5 as you indicated in your letter. If you do not agree with this, you could file another amended claim.

If you have any questions or need further assistance, please feel free to contact me.

Sincerely,

BILL MACALLISTER

Sirs,

On Claim No. 67-4113, a note period of use is from May 1 to July 5. Would it be possible to set that date up to Apr. 1 and extend it as long as there is water there, which varies from year to year. I do keep cattle on pasture there in summer and use as a feed lot in winter, in addition for irrigation purposes.

Sincerely,

Lillian Harvey

Dear Mrs. Harvey:

We have received your letter dated March 1, 1977, concerning the above referenced claim.

The period of use shown on the claim was probably the dates supplied by you when the claim was filed. They should reflect when the water was beneficially used in the past. If you feel that the water was actually used during a longer period, you can file an amended claim showing the corrected time of use.

We are enclosing another claim form, and if you choose to file the amended claim please mark it "amended" and show the same number as the original claim.

Sincerely,

ROBERT W. HAMILTON
Supervisor of Water Distribution
