We are returning your claim to a water right and check No. 92-293 in the amount of \$10.00.

It will strengthen your claim to show the amount of water used on each of the priority dates claimed.

The land list showing the lands irrigated does not agree with the map. The land list shows the SE $\frac{1}{4}$ NE $\frac{1}{4}$, Section 27, while the map shows the NE $\frac{1}{4}$ SE $\frac{1}{4}$. Please make the necessary corrections to show which is correct.

When the corrections have been made, please return the claim and check to us for processing.
