STATE OF IDAHO
DEPARTMENT OF WATER RESOURCES
Section 42-225a, Idaho Code

CLAIM TO A WATER RIGHT

Under the provisions of Section 42-225a, Idaho Code, a person may file a claim to a right to use water which has been established by diversion and application to beneficial use. The filing of this claim does not confirm the water right but will serve for information purposes only. It may, however, become the basis for future adjudication of the water right by the Court.

Notice is hereby given that Johnnie H. &/or Vera E. Harrington (name of claimant)
of Council, Idaho 83612 (mailing address), claims a right to the diversion and beneficial use of
the public water of the State of Idaho

The extent and nature of said claim is as follows:

- (1) Describe source of water: (name of stream, lake, spring, etc., or ground water) North Hornet Creek
tributary to ,
(2) Describe the purpose for which the water has been used and the time during the year when you have used the right claimed:

Re: Claim to a Water Right No. 67-4091

Dear Mr. Harrington:

The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of your claim does not in itself guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with this office.

We are enclosing for your records a copy of your claim. If you have any questions or if we can be of further assistance, please feel free to call upon us.

Sincerely,

KENNETH H. FOIT, P. E.
