The approval of this permit authorizes the construction of a well as described on this application subject to the conditions on this permit.

GENERAL CONDITIONS:

1. The well must be constructed in compliance with the applicable statutes, specific conditions of approval shown on the water right permit, injection well permit, transfer or amendment and the rules and regulations of the Department for water appropriation, injection wells and well construction standards.
2. This drilling permit is valid for two (2) months from its date of issuance for the start of construction and is valid for one (1) year from the date of issuance for completion of the well unless an extension has been granted.
3. The permit holder or his representative shall notify the Department ten (10) days prior to the start of construction unless good cause for later notification can be shown.
4. The well shall be constructed by a driller currently licensed in the State of Idaho who must maintain a copy of the drilling permit at the drilling site.
5. Issuance of this drilling permit does not authorize trespass on the land of another party.
6. This permit does not constitute other local, county, state or federal approvals which may be required for construction of a well.

SPECIFIC CONDITIONS:

7. The old well shall be abandoned or a transfer of water right 67-2353 must be submitted to show two points of diversion

RE: W.R. License 67-2353

Dear Sir:

The Department received your application for a drilling permit but the required fee was not submitted with the application.

The fee for irrigation wells is \$100. I assume the well will replace a well now in use and will be used under water right license 67-2353. If not, please let me know.

If you abandon the old well, no transfer for 67-2353 is required; if the old well is not abandoned, a transfer is needed.

If you have any questions, contact me. Once I receive the \$100, the drilling permit will be issued.

Sincerely,

Dear Sir:

Enclosed you will find the application of the Cambridge School District No. 432-J for a permit to appropriate the subterranean waters of the State of Idaho to beneficial use. A check in the amount of \$5.00 is also enclosed to cover the filing fee.

Since this work involved only the drilling of a well, the well has been drilled and the pump installed and the water has been put to beneficial use. The District Trustees would like to go ahead with the Proof of Completion of Work as soon as possible to complete this matter.

Since I am a Notary Public also, unless my name will have to be signed as Clerk, along with the Chairman of the Board of Trustees for the District, it might be well to have the proofs made before me at the time you may set for this.

Dear Mr. Howfard:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-33029. The proofs are to be made ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ on the 24th day of September, 19 66, before May Collins, Cambridge, Idaho Notary Public.

As of this date, we have mailed the Notice to the News-Reporter, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place, on the date, and at the time and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the AFFIDAVIT OF PUBLICATION

Very truly yours,
