NOTICE OF PROOF OF COM-
PLETION OF WORKS AND AP-
PLICATION OF WATER TO
BENEFICIAL USE.

NOTICE IS HEREBY GIVEN,
That at ten o'clock A. M., on the
9th day of July, 1955, at Cam-
bridge, County of Washington,
State of Idaho, before May Col-
lins, a Notary Public, proof will be
submitted of completion of con-
struction of works and application
of ground water to beneficial use
in the amount of one cubic foot
per second of ground water ob-
tained from an underground drill-
ed water well located in the SW $\frac{1}{4}$
SW $\frac{1}{4}$ Section 8, Township 13
North, Range 3 West, B. M. in ac-
cordance with the terms and con-
ditions of Permit No. G-24304
heretofore issued by the Depart-
ment of Reclamation of the State
of Idaho.

1. The name and Post Office ad-
dress of the corporation holding
said permit is the Village of Mid-
vale, Idaho, a municipal corpora-
tion, and village organized and ex-
isting under and by virtue of the
laws of the State of Idaho, situ-
ate in the County of Washington,
State of Idaho, whose post office
address is Midvale, Idaho.

2. That said water is obtained
from a drilled water well and is
fed by subterranean water and that
there is operated in conjunction
with said well a reservoir having
a capacity of twenty thousand gal-
lons.

3. That the amount of ground
water that has been used is one
cubic foot per second or fifty min-
ers inches.

4. The place and nature of the
use of such ground water is for
domestic consumption and irriga-
tion within the corporate limits of
the Village of Midvale, Idaho, as
the same is shown on the official
plat of Middle Valley Townsite on
file in the office of the County Re-
corder of Washington County, Ida-
ho.

5. The date of priority which
said user is prepared to establish
is July 15th, 1953. 48-4T

RE: Permit No. G-24304

Mr. R. D. Bitner
Village Clerk
Midvale, Idaho

Dear Mr. Bitner:

We enclose Certificate of Completion of Works also License and Certificate of Water Right issued on Permit No. G-24304 confirming the right of the Village of Midvale to the use of 1 second foot of water from a well in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 8, Township 13 North, Range 3 West, B.M. with priority of July 15, 1953, for municipal use by the Village of Midvale.

We also enclose departmental receipt No. G-1534 for the \$10.00 fees in connection with completion of works and license.

Very truly yours,

MARK R. KULP

RE: Permit No. G-24304

Mr. R. D. Bitner
Village Clerk
Midvale, Idaho

Dear Mr. Bitner:

The Report of our Field Engineer on examination for Completion of Works and Beneficial Use on Permit No. G-24304 of the Village of Midvale shows that the well in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 8, Township 13 North, Range 3 West, B. M., will produce 1 cubic foot per second.

A Certificate of Completion of Works and License can therefore be issued for that amount upon receipt of the statutory fees amounting to \$5.00 for Certificate of Completion of Works and \$5.00 License fee or a total of \$10.00.

Very truly yours,

MARK R. KUEP

STATE OF IDAHO
DEPARTMENT OF RECLAMATION
BOISE, IDAHO
REPORT OF ENGINEER

Permit No. G-24304This proof is for Completion of Works & Beneficial Use In Water District No. _____1. Name of applicant Village of Midvale, R. D. Bitner, Village Clerk, Midvale, Idaho2. Source of water supply: Subterranean from a well3. Location of point of diversion: Is in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 8T. 13 N. R. 3 W. County of Washington

4. Describe works as they exist, giving dimensions and capacities of same: Well is 322' deep by 12" diameter for 180', 10" diameter for the balance. Cased to the bottom, perforated at all water bearing strata. H=9', draw down is to 50'. Pump is a 6 stage with 10" Bowls, column is 100' by 6" diameter. Delivery to the West into closed 6" pipe line. There is an exposed portion of this pipe line that has to be insulation packed in the winter to prevent freezing. There is no well house, nor protection over this pump. Water system is connected to a water tank of 20,000 gallon capacity, bottom of the tower is 120' above the ground. 30 hp U. S. Motor, serial No. 984937. Johnston Turbine Pump sits on a concrete base 2 $\frac{1}{2}$ ' x 2 $\frac{1}{2}$ ' x 5' deep.

5. Water is used for: Municipal use for Village of Midvale6. State whether or not water has been turned into works of diversion: Yes

7. List legal subdivisions of lands to be irrigated. If proof is for beneficial use, give exact number of acres under cultivation in each forty-acre tract. (Describe manner and place of use if other than irrigation):

Village of Midvale, IdahoSee the map

(Submit map on attached plat, showing location and details of above description.)

8. What large stream would the water here appropriated finally reach? _____

Remarks: This well probably can pump more water than has been filed on but they are afraid to pump it heavily on account of the sand. If they pump too heavy considerable sand is brought up with the water. They have had trouble with their other well with sand and are being careful with this one.

The other well is a few feet to the S.E. of this one and is in a good well house

This examination was made on the 5 day of October, 1955(Signed) E. N. Humphrey Examiner.24304

INSTRUCTIONS TO EXAMINERS

1. Always carefully note the location of the point of diversion and accurately plat same.
2. When proof is for beneficial use, carefully check up the number of acres actually irrigated in each forty and accurately plat same.
3. Make a map showing the correct location of streams and ditches, and the irrigated lands, and any adjacent permanent landmarks, such as towns, lakes, large streams and public roads.
4. If any unusual conditions are discovered, make plain statement of them under remarks.
5. Always see the holder, if possible, and go over the whole ground with him and make your report only upon actual existing facts and conditions.
6. Give general characteristics of soils, topography, and crops raised.

RE: Permit No. G-24304

Mr. R. D. Bitner
Midvale
Idaho

Dear Mr. Bitner:

We are now in receipt of the Affidavit of Publication from the Upper Country News Reporter which completes proof of Completion of Works and Beneficial Use on Permit No. G-24304 of the Village of Midvale.

However, before final action is taken the law requires that a field examination be made by an engineer from this Department.

We cannot say just when this examination will be made, but our field engineer will contact you at the time he makes the examination in order that you may arrange to show him over the ground.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

STATE OF IDAHO
DEPARTMENT OF RECLAMATION
BOISE, IDAHO

Permit No. G-24304

Proof of Application of Water to Beneficial Use

Deposition of Holder and Completion of Works

Ques. 1. State your name, residence, occupation and postoffice address.

Ans. R. D. Bitner, Midvale, Idaho

Mechanic--Box H. Midvale, Idaho

Ques. 2. If acting in behalf of corporation, state its name, principal place of business (if a foreign corporation, give name of postoffice of statutory agent), your position with reference to same, and your authority for appearing in its behalf.

Ans. Village of Midvale Clerk Authorized by Village Board

Ques. 3. State number and date of permit, and date of priority you propose to establish under the permit.

Ans. Permit Date-July 16, 1953 No. G-24304 Priority Date-July 15, 1953

Ques. 4. State source of water supply and give exact location of point of diversion.

Ans. Underground drilled water well located SW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 8, Township 13

North, Range 3 West, B.M.

Ques. 5. Describe your works of diversion, and state amount of water they are capable of conveying from point of diversion to place of use, and give name of canal or ditch or other works by which water is conducted to such place of use. If a well, state depth of well, depth and size of casing and depth to water. If pump is used, state discharge of pump and tell how it was measured or determined. If sprinkler irrigation, give number and size of nozzles and operating pressure.

Ans. Eight inch pump, 30 horse motor. Tested for 6 hours discharge of well

measured 550 gallon per minute.

Depth 320 ft. Depth to
water 9 ft. 295 ft of 12 in casing and 25 ft of
8 in casing

Ques. 6. State for what purpose water is used and describe place of use. (If for irrigation, name each subdivision in which used, and number of acres in each subdivision that have actually been irrigated with said water.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. Domestic consumption and irrigation within the corporate limits of

the Village of Midvale, Idaho.

#24304

Ques. 7. If for other than irrigation purposes; state how applied, amount of horse power generated, etc.

Ans. Domestic consumption and irrigation only.

Ques. 8. What is the minimum amount of water required for the purpose specified above?

Ans. One cubic foot per second or fifty miners inches

Ques. 9. If you are not the person or representative of the corporation to whom above mentioned permit was originally issued, please state how ownership was acquired by present holder.

Ans. Original owner.

Ques. 10. State when, how, in what amount and to what extent the water diverted under above mentioned permit has been used.

Ans. Used since July, 1953 through Village water mains, to almost full capacity.

Ques. 11. State when, how, in what amount and to what extent waters other than those diverted under the above mentioned permit have been diverted and applied to beneficial use upon the lands herein described. Give full particulars regarding such other appropriations and rights claimed thereunder.

Ans. None

(Sign)

R. D. Bitner
Club.

I hereby certify that the foregoing testimony was read to the above subscribed before its signing, that I believe him to be the person he represents himself to be, and that said testimony was subscribed and sworn to before me, at my office in Cambridge, County of Washington, State of Idaho, on this 9th day of July, A. Proof of Application of Water to Beneficial Use

Deposition of Witness and Completion of Works

The deposition of two witnesses, on this form, taken separately, required in each case.

Ques. 1. State your name, age, residence, occupation and postoffice address.

Ans. Pete Graham Age 58 Mechanic Midvale, Idaho

Ques. 2. Are you acquainted with Village of Midvale, Midvale Idaho, the holder of Permit No. G-24304? How long have you known him and where does he reside?

Ans. Yes

Ques. 3. Have you read or heard read said Permit No. G-24304, and are you familiar with its provisions and conditions?

Ans. Yes

Ques. 4. State source of water supply, place of diversion, and describe works for conveying water from point of diversion to place of use.

Ans. Underground drilled water well located SW $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 8 Township 13 North, Range 3 WBM conveyed by Village water mains Depth 320 ft.
Depth to water 9 ft. 295 ft. of 12 in casing and
25 ft. of 8 in casing

Ques. 5. How many second feet of water do you estimate said works will safely conduct to place of use, and how much water have you seen being so conveyed?

Ans. One cubic foot per second or fifty miners inches

Ques. 6. (Pumps) How much water in cubic feet per second, miner's inches, or gallons per minute have you seen the pump deliver, and how did you measure or estimate the amount?

Ans. 550 gallons per minute seen delivered by test pump.

G 24 304

Ques. 7. State for what purpose water is used and at what place. (If for irrigation, give each subdivision in which water has been used and number of acres irrigated in each subdivision.) State whether cultivated or natural meadow land and the nature of all improvements which have been made as a direct result of said use.

Ans. General village use, domestic consumption and gardens and laws
within the Village of Midvale.

Ques. 8. If for power or other purposes than irrigation, state how water has been applied and to what extent.

Ans. _____

Ques. 9. (If for irrigation) state character of land that has been reclaimed, and give your estimate of the amount of water required for its profitable cultivation.

Ans. _____

Ques. 10. Have you any interest in the works, water or lands above mentioned? If so, in what way and to what extent?

Ans. No interest

Ques. 11. State when, how, in what amount and to what extent you have witnessed the application to beneficial use of water diverted under said permit.

Ans. Since July 1953 have witnessed the continued use of water for domestic
consumption and irrigation of lawns & gardens in the Village of Midvale,
and apparently to the full capacity of well.

(Signed)

Pete Graham

RE: Permit No. G-24304

Mr. R. D. Bitner
Midvale
Idaho

Dear Mr. Bitner:

We acknowledge receipt of the depositions of yourself and two witnesses in proof of completion of works and beneficial use on Permit No. G-24304 in the name of the Village of Midvale.

We return the depositions in order that Question 5 of your own deposition and Question 4 of the depositions of your two witnesses may describe the depth of the well, and the size and depth of the casing.

The affidavit of publication is also a part of the proof and the Upper County News Reporter was instructed to send this to you. If you have not received it, we suggest that you take the matter up with them at once.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

RE: Permit No. G-24304

Village Clerk
Midvale
Idaho

Dear Sir:

We have sent to the Upper Country News-Reporter at Cambridge, Idaho, notice for proof of completion of works and beneficial use to be made on Permit No. G-24304 July 9, 1955, with instructions to publish it once a week for four weeks prior to that date and to send you the affidavit of publication together with statement of costs.

At the time set, you or some other representative of the Village of Midvale should appear before May Collins, Notary Public, together with two disinterested witnesses who are familiar with the terms of the Permit and the work done thereunder for purpose of executing the enclosed depositions.

Very truly yours,

MARK R. KULP
State Reclamation Engineer

1 NOTICE OF PROOF OF COMPLETION OF WORKS AND APPLICATION OF
2 WATER TO BENEFICIAL USE.
3

4 NOTICE IS HEREBY GIVEN, That at ten o'clock A. M., on the 9th day of July,
5 1955, at Cambridge, County of Washington, State of Idaho, before May Collins,
6 a Notary Public, proof will be submitted of completion of construction of works
7 and application of ground water to beneficial use in the amount of one cubic foot
8 located in the SW $\frac{1}{4}$ SW $\frac{1}{4}$ Section 8, Township 13 North, Range 3 West, B.M.
per second of ground water obtained from an underground drilled water well/in
9 accordance with the terms and conditions of Permit No. G-24304 heretofore issued
10 by the Department of Reclamation of the State of Idaho.

11 1. The name and Post Office address of the corporation holding said permit
12 is the Village of Midvale, Idaho, a municipal corporation, and village organized
13 and existing under and by virtue of the laws of the State of Idaho, situate in
14 the County of Washington, State of Idaho, whose post office address is Midvale,
15 Idaho.

16 2. That said water is obtained from a drilled water well and is fed by sub-
17 teranean water and that there is operated in conjunction with said well a reser-
18 voir having a capacity of twenty thousand gallons.

19 3. That the amount of ground water that has been used is one cubic foot per
20 second or fifty miners inches.

21 4. The place and nature of the use of such ground water is for domestic con-
22 sumption and irrigation within the corporate limits of the Village of Midvale,
23 Idaho, as the same is shown on the official plat of Middle Valley Townsite on
24 file in the office of the County Recorder of Washington County, Idaho.

25 5. The date of priority which said user is prepared to establish is July
26 15th 1953.

State of Idaho
License and Certificate of Water Right

Water License No. G-24304/67-2232 Amount One second foot
Water District No. Priority July 15, 1953.

THIS IS TO CERTIFY that VILLAGE OF MIDVALE
of Midvale, Idaho, made application for a permit to appropriate the
public waters of the State of Idaho, dated July 15, 1953; that Permit No. G-24304
was issued under said application; that Certificate of Completion of works, with a carrying capacity of
one second foot, was issued thereunder on November 10, 1955, showing that said works
were completed on the 9th day of July, 1955; and that on the 9th
day of July, 1955,

VILLAGE OF MIDVALE
of Midvale, State of Idaho, made proof to the satisfaction of the
State Reclamation Engineer of Idaho, of the right to use the waters of a well
~~contributory~~ (subterranean flow), for the purpose of municipal use
under Use Permit No. G-24304 of the Department of Reclamation
and that said right to the use of said waters has been perfected in accordance with the laws of Idaho,
and is hereby confirmed by the State Reclamation Engineer of Idaho and entered of record in Volume
9 of Licenses at page 5604, on the 10th day of November, 1955;
The right hereby confirmed dates from July 15, 1953;

The Point of Diversion is located
in the SW 1/4 SW 1/4, Sec. 8, Tp. 13 N., R. 3 W., B. M. Washington County

That the amount of water to which such right is entitled and hereby confirmed, for the purposes
aforesaid, is limited to an amount actually needed and beneficially used for said purposes, and shall
not exceed one cubic foot per second.

Description and location of use:

Twp.	Range	Sec.	Forty-acre Tract	No. Acres Described in Permit	No. Acres Actually Irrigated
			Village of Midvale, Idaho		

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place
of use herein described, as provided by the laws of Idaho.

WITNESS the seal and signature of the State Reclamation Engineer, affixed at Boise, Idaho, this
10th day of November, 1955.

**NOTICE OF PROOF OF COM-
PLETION OF WORKS AND AP-
PLICATION OF WATER TO
BENEFICIAL USE.**

NOTICE IS HEREBY GIVEN,
That at ten o'clock A. M., on the
9th day of July, 1955, at Cam-
bridge, County of Washington,
State of Idaho, before May Col-
lins, a Notary Public, proof will be
submitted of completion of con-
struction of works and application
of ground water to beneficial use
in the amount of one cubic foot
per second of ground water ob-
tained from an underground drill-
ed water well located in the SW $\frac{1}{4}$
SW $\frac{1}{4}$ Section 8, Township 13
North, Range 3 West, B. M. in ac-
cordance with the terms and con-
ditions of Permit No. G-24304
heretofore issued by the Depart-
ment of Reclamation of the State
of Idaho.

1. The name and Post Office ad-
dress of the corporation holding
said permit is the Village of Mid-
vale, Idaho, a municipal corpora-
tion, and village organized and ex-
isting under and by virtue of the
laws of the State of Idaho, situ-
ate in the County of Washington,
State of Idaho, whose post office
address is Midvale, Idaho.

2. That said water is obtained
from a drilled water well and is
fed by subterranean water and that
there is operated in conjunction
with said well a reservoir having
a capacity of twenty thousand gal-
lons.

3. That the amount of ground
water that has been used is one
cubic foot per second or fifty min-
utes inches.

4. The place and nature of the
use of such ground water is for
domestic consumption and irriga-
tion within the corporate limits of
the Village of Midvale, Idaho, as
the same is shown on the official
plat of Middle Valley Townsite on
file in the office of the County Re-
corder of Washington County, Ida-
ho.

5. The date of priority which
said user is prepared to establish
July 16th, 1953.

MARK R. KULP
State Reclamation Engineer.
