Re: Permit No. G-23443

Mr. Tsutomu B. Imada

Owlswe, Idaho

Dear Mr. Imada:

Our field engineer's report on his inspection of proof of completion of works and application of water to beneficial use under the terms of Permit No. G-23443 shows that your well is capable of conveying 35 miners' inches (.7 c.f.s.) of water for irrigation of 86.5 acres in the SW $\frac{1}{4}$ NE $\frac{1}{4}$, SE $\frac{1}{4}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$ NW $\frac{1}{4}$, N $\frac{1}{2}$ SW $\frac{1}{4}$ of Section 8, Township 10 North, Range 5 West, B.M. The record of your permit does not list the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 8, therefore, it is necessary that it be amended. We have enclosed an application for amendment for this purpose and ask that you sign and return it.

Upon receipt of the amendment, mentioned above, and the statutory fees, totalling \$15.00, we will issue the Certificate of Completion of Works (for which the fee is five dollars) and the License and Certificate of Water Right (ten dollars--based at the rate of two dollars for each 40-acre subdivision irrigated) confirming the right with priority of December 15, 1952 under Permit G-23443 to your use of .7 second foot of subterranean water, with the point of diversion in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 8, for irrigation of 86.5 acres in the SW $\frac{1}{4}$ NE $\frac{1}{4}$, SE $\frac{1}{4}$ NW $\frac{1}{4}$, SW $\frac{1}{4}$ NW $\frac{1}{4}$, NE $\frac{1}{4}$ SW $\frac{1}{4}$, NW $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 8, Township 10 North, Range 5 West, B.M.

Weiser, Idaho

Dear Mr. Imada:

We acknowledge receipt of the Deposition of Holder and two witnesses, also affidavit of publication in the Weiser American, all submitted in proof of Completion of Works and Application of Water to Beneficial Use on Permit No. G-23443.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the rounds.

We are returning your check to the amount of five dollars which we assume was for the Certificate of Completion of Works. At a later date, after inspection has been made, you will be notified of the charges for the Certificate and License.

Very truly yours,

RE: Permit No. G- 23443

Date October 1, 1957

Mr. Tsutomu B. Imada
Route #3
Weiser, Idaho

Dear Sir:

The date for proofs of completion of works and application of water to beneficial use, as set out under the terms of Permit No. G-23443, are due not later than December 26, 1957.

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least forty (40) days before the above mentioned date. This form, filled out in duplicate, is to include the time of day, the date (allowing for four weeks publication), the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place that is convenient for you and your two witnesses), the quantity of water filed on, for what purpose it is used, the point or points of diversion and the location of use or the lands which are irrigated--all by legal land description.

Also enclosed is Form 11, which is the authorization for us to have the notice of proof published in the designated county newspaper, at your expense. This is to be returned with Forms 36.

At the time we send the notice to the newspaper, we will also send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named and before the notary public, as advertised in the publication notice.
