RE: Change in Ownership of Water Right 67-14069

Dear Ms. Fry:

The Department of Water Resources acknowledges receipt of your note and copy of the partial decree for the above referenced water right.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

✓ **Filing Fee** of \$25 per water right

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be \$25.00.

I have enclosed a Notice of Change in Water Right Ownership form that is partially filled out. The quitclaim deed that you sent will be sufficient support documentation for this request. Please make any corrections or additions that you feel are necessary and return the completed form along with the filing fee in the enclosed envelope.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your note and all attachments and your request will not be processed.

SEP 14 2005

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call me at 208-327-7941.

Sincerely,
