Dear Mrs. Skogsberg:

Please be advised that the Department of Reclamation has conducted a field examination in connection with Permit No. G-30344. The results of the examination indicate that you are also irrigating lands in the NW¹SE¹, sec. 15, T. 1 N, R. 2 W, E.M. If you wish to have this land covered under your permit, then you are required to file an application for amendment to include this additional land.

An application for amendment form is enclosed. It has been completed with the exception of your signature. Please sign the form and return it to this department with the required \$5.00 application fee.

Also, if you desire to include this land, the amendment must be advertised prior to licensing. Authorization for the department to advertise the amendment at your expense is enclosed. Please sign the authorization for and return it with the amendment.

Your prompt attention to this matter is appreciated.

Dear Mr. Skogsberg:

This acknowledges the Notice of Proof of Completion of Works and Application of Water to Beneficial Use under Permit No. G-30344. The proofs are to be made ~~at~~ 10 o'clock, on the 10th day of January, 19 67, before C. O. Thompson Nampa, Idaho, Notary Public.

As of this date, we have mailed the Notice to the Idaho Free Press, with instructions to publish it once a week for four consecutive weeks prior to the date set for final proof then mail the Affidavit of Publication and statement of costs to you.

It is important that the enclosed depositions be executed by you and two disinterested witnesses who are familiar with the terms of the permit and the work done thereunder, at the place, on the date, and at the time and before the Notary, as advertised. It is very important and necessary that each question be answered in detail.

In returning the depositions to this office, be sure that all copies have been signed, the Notary's seal has been placed on each and that all depositions, (holder and two witnesses) are being returned. Also be sure to enclose the AFFIDAVIT OF PUBLICATION

Very truly yours,

Department of Reclamation

Dear Mr. Skogsberg:

The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G- 30344 are due not later than January 10, 1967

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated - - all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.

Very truly yours,

Dear Mr. Skogsberg:

Returned herewith is your Notice of Publication for the above numbered permit. Our records show the point of diversion in the NW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 15, T. 1 N, R. 2 W, B.M. and the place of use in the N $\frac{1}{2}$ SE $\frac{1}{4}$, SE $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 15, T. 1 N, R. 2 W, B.M.

If you have changed the point of diversion and place of use, it will be necessary to amend both before it can be advertized. Amendment applications are enclosed and a fee of \$2.00 will be necessary for recording these amendments.

If the point of diversion and place of use have not changed, please change the Notice of Publication to agree with our records and resubmit to this office.
