Permit #12417

Gentlemen:

A representative of this Department has made an examination of the works covered by your Permit No. 30258/63-3264 and has found the following:

Quantity of water diverted: 1.86 cfs

Amount of water that can be recognized as beneficially used under Idaho law: 1.86 cfs

The maximum quantity of water diverted shall not exceed 652.5 acre feet per year.

Beneficial use: Irrigation of 145 acres within the N1/2SW1/4, SE1/4SW1/4, W1/2SE1/4, Sec. 24, Twp. 3 N, Rge. 4 W, B.M.

Point of diversion: NE1/4SW1/4, Sec. 24, Twp. 3 N, Rge. 4 W, B.M.

Priority date established: November 7, 1961 (late proof)

A fee totaling \$15.00 must be received within 30 days from the date of this letter in order that we can issue you a Water License as set forth above.

If you do not concur with these findings, please contact this office within the 30 day period.

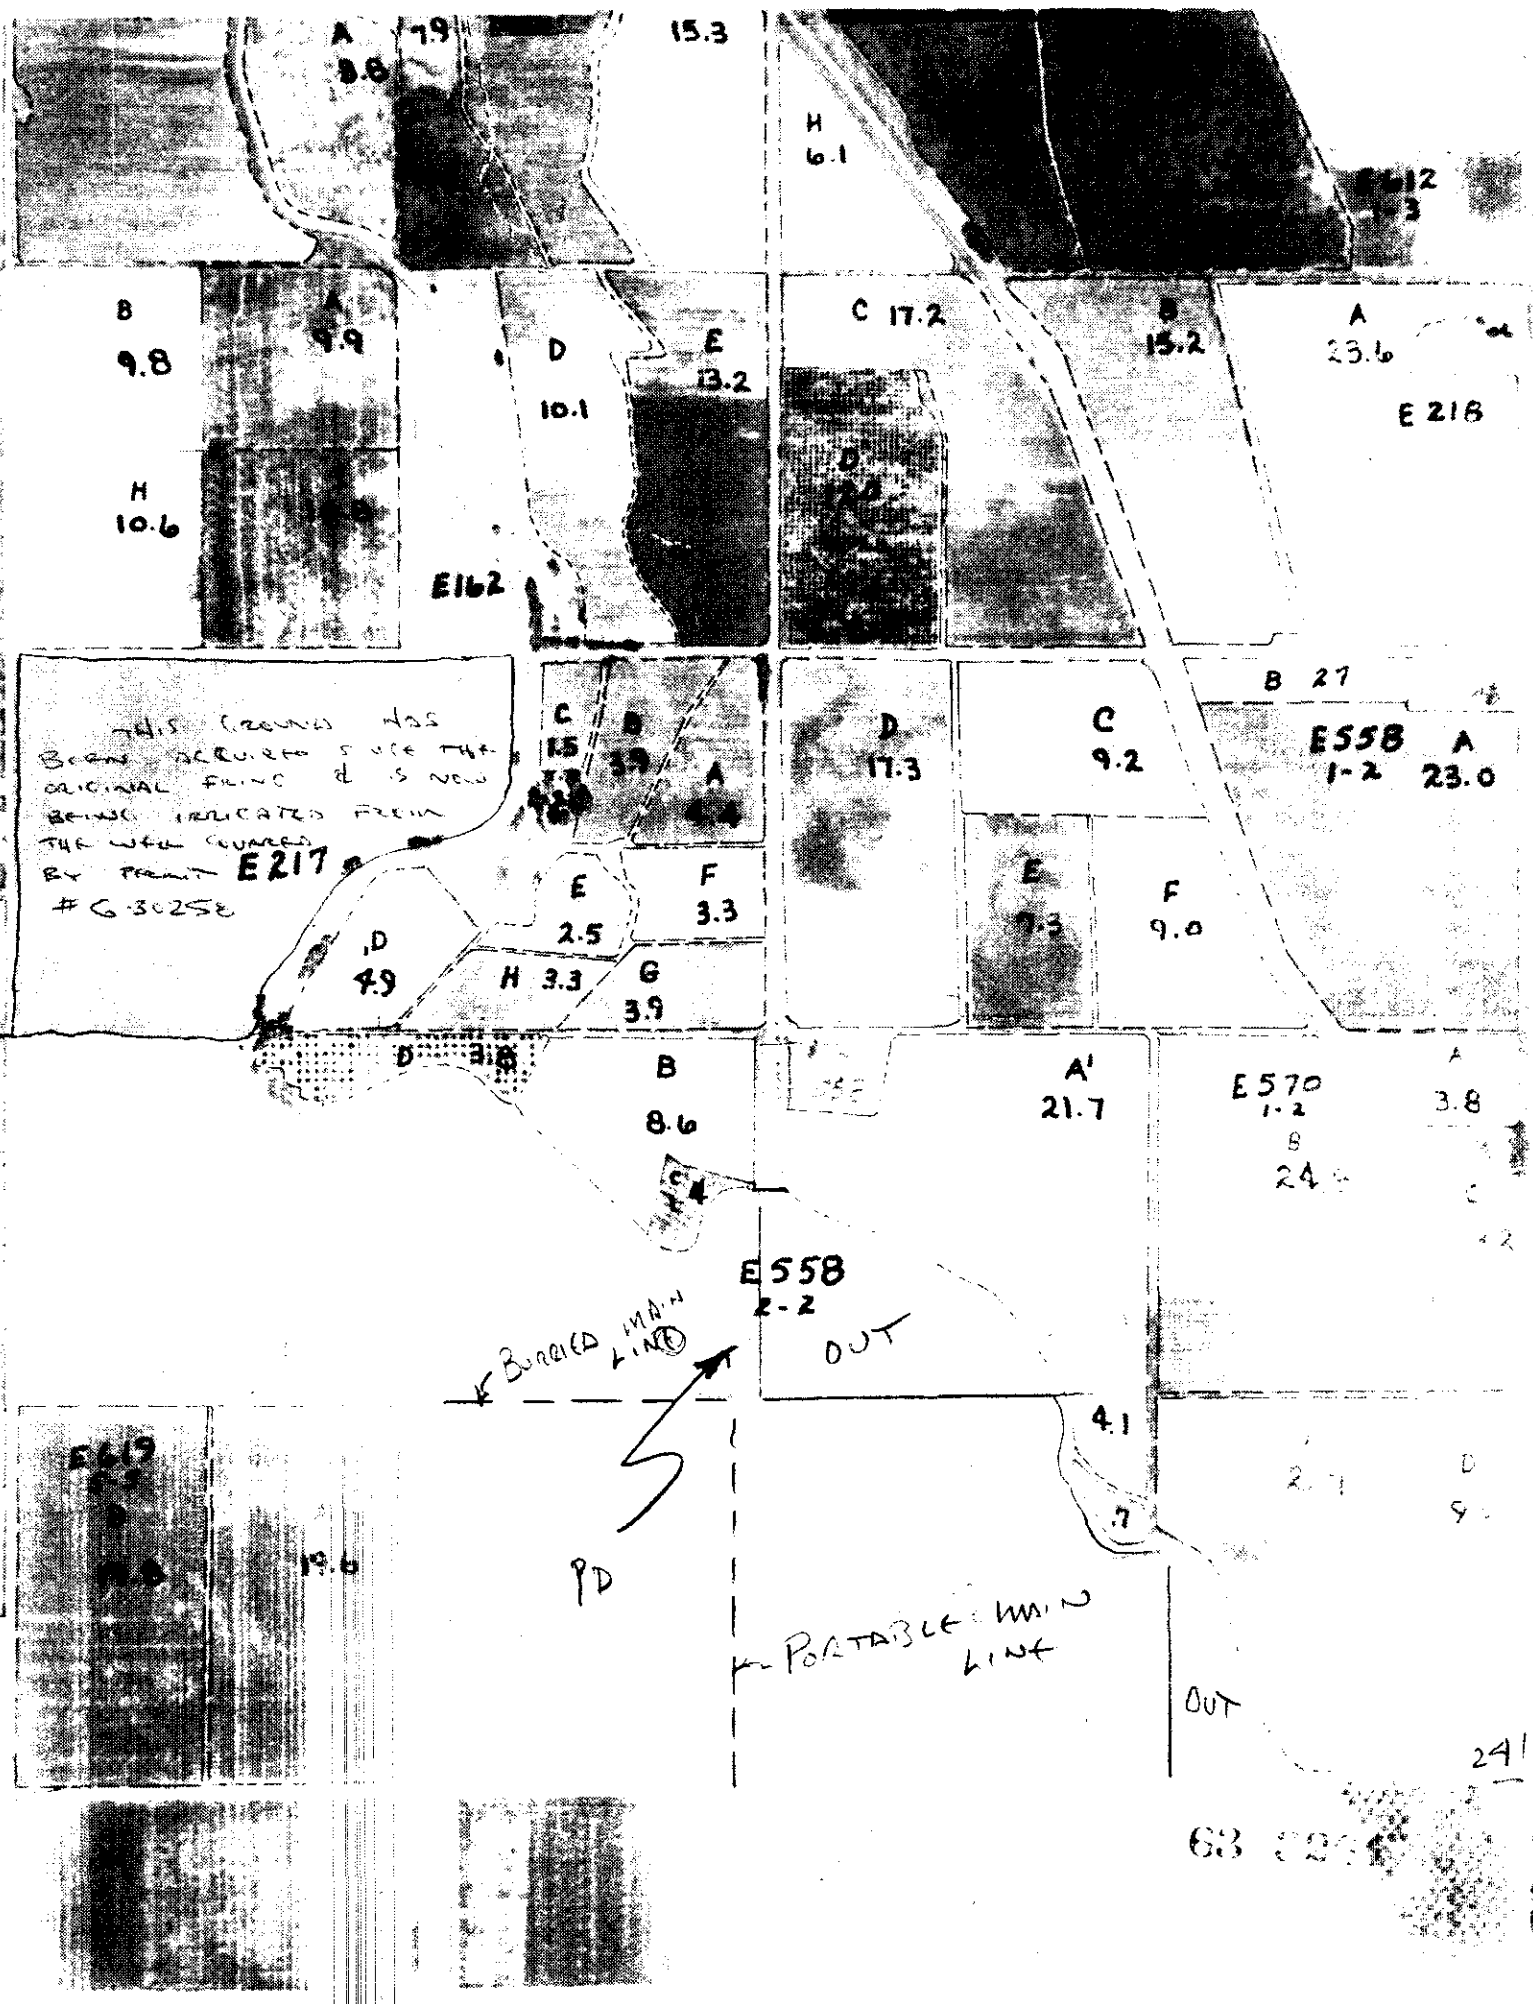

You should be aware that any ground water development after March 25, 1963, must be by means of a valid permit. Our field report indicates that 184 acres are being irrigated from this well whereas the permit only covers 145 acres. Please review the matter and if you do not have another permit, please file an application for permit on the additional acreage before the next irrigation season.

Sincerely,

BOBBY D. FLEENOR

Gentlemen:

The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G-30258 are due not later than **Oct. 23, 1966**

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated - - all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.
