Gentlemen:

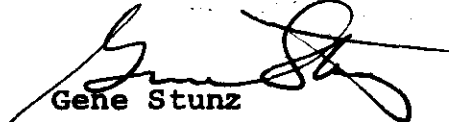

I represent Mr. Charles N. Pitman of Route 2, Parma. Several years ago he filed an application for a water right and the correspondence indicates that a preliminary permit No. G-29956 was assigned by your office.

Would you please review your files and determine if everything has been completed to perfect Mr. Pitman's water right, and if so, we would like to obtain documentary evidence of the water right.

In the event it has not been perfected, would you please advise what is required to do so.

Thank you for your courtesy and cooperation.
