STATEMENT

The News-Tribune

CALDWELL, IDAHO

DATE Oct. 2, 1962

Geo. N. Carter

State Reclamation Engineer

Boise, Idaho

I was on vacation the Saturday this ad appeared for the first time, but I left word that this tear sheet or paper be mailed, but no-one remembers if it was mailed or not. Upon my return, Mrs. Choat called and informed us that there was an error in the first date in the publication, but upon referring to the copy, the date had been written in, in ink, and it does look more like 1942 than 1962. Nevertheless, the correction has been made to 1962, and will appear as 1962 on the affidavit, and 1942 would not have been logical either. I am sorry if the tear sheet was not mailed, and the correction has been made.
