We must have an affidavit signed before a Notary Public by Chas. L. Shaffer, that his office was open all day June 24, 1965, and that no one appeared to protest against the proofs to be made under Permit No. G-28836, in the name of Southern Idaho Conference, etc.

We must also have an affidavit signed before a Notary Public by you as acting for the permit holder showing cause why the proofs were not made as advertised.

Otherwise you must have the forms in this office on or before Sept. 23, 1965, for a new legal notice to be published at your expense.
