Re: Applications for Permit Nos. 37-08834, 37-08835 (Sun Valley Water & Sewer District)

Dear Mr. Campbell:

The Department of Water Resources acknowledges receipt of the above referenced water right applications for permit. The applications have been assigned the above referenced identification numbers. Please refer to this number in all further correspondence.

This office has scheduled advertising the applications in the Wood River Journal for 12/7 & 12/14/94. A period of ten days following the second publication will be allowed for the submittal of protests.

If an application is protested you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

If an application is not protested, it will be forwarded to our State Office in about five weeks. State office personnel will conduct a complete review prior to final processing of the application and will notify you of the outcome of this review. When a permit is issued, you will be sent a copy. A typical processing time for an unprotested application is about eight weeks.

Please feel free to contact this office if you have any questions regarding this procedure.

Very truly yours,

James E. Stanton

Dear Scott;

Per our conversation of earlier today, the Sun Valley Water & Sewer District application for the 8" well has been changed. A copy of the changed application is enclosed for your information.

The reduction in the requested flow rate from 0.27 cfs to 0.10 cfs reduces the application fee from \$100. to \$50. As part of the application processing, steps will be taken to refund the excess fee.

Thanks for your assistance in this matter.

Sincerely,

James E. Stanton

Re: Applications for Water Permit

Dear Loren:

I have enclosed two separate Applications for Permit to appropriate the public waters of the state of Idaho for filing with your office, pursuant to Idaho Code § 42-202. I have also enclosed a check in the amount of \$220.00, which represents the filing fees required under I.C. § 42-222. The amount of \$220 was calculated by assigning a \$100 fee to the application for 0.27 cfs and \$120 for the application for 1.33 cfs.

Please note that these Applications are made in the name of the Sun Valley Water & Sewer District. I will be the attorney of record in this matter for purposes of notices and correspondence. You may also send notices and correspondence to the Sun Valley Water & Sewer District.

Please advise me of the date of publication of the notices with respect to this matter and also provide me with copies of any protests which are filed against the Applications if any. Also, I would appreciate receiving a receipted copy of the Applications in the enclosed self-addressed, stamped envelope.
