RE: Permit Nos. 37-8311/8312/8313/8314/8315/8316/8317/8318/8319/8320/8321

Dear Sir/Madam:

Enclosed are eleven completed Proof of Beneficial Use forms for the permit numbers shown above. The original application fee of \$30 was paid for each of the permits by our State Office to your State Office.

By memorandum dated October 14, 1988, we were advised your department had changed the procedures for accepting applications for water rights. The new procedures requires all applications for permits, amendments, and other changes be filed in the regional office servicing the basin. We assume that also includes Proof of Beneficial use.

Because the original application fee has already been paid, and because each permit is for 0.01 CFS, we have not included license examination fees (per schedule of fees shown on the back of the Proof of Beneficial use form). According to the schedule, "No fee is required for single family domestic use, or stockwater use". We understand "stockwater" as defined by your department, also includes water for wildlife.

If you have questions or need further clarification, please do not hesitate to call Floyd Dewitt or John Aspitarte at 886-2206.

Sincerely,

K Lynn Bennett

We have enclosed a form entitled "Instructions for Proof of Beneficial Use". Please read the instructions carefully since you must take further action to develop these permits into licenses.

Sincerely,
