A hand-drawn map on a grid. The map shows a central square divided into four quadrants. The top-left quadrant is labeled 'T', the top-right 'S', and the bottom-left 'N'. The bottom-right quadrant is labeled 'E 8 Springs'. The number '15' is written in each of the four quadrants. A wavy line representing a road or boundary runs diagonally from the top-right corner of the central square towards the bottom-left corner. The label 'R 17 S.' is written in the top-right quadrant.

A hand-drawn map of a farmstead. At the top center is a rectangular building labeled "House". Below the house is a wavy line labeled "DITCH". To the left of the ditch is a larger, more irregular wavy line labeled "Wood River". To the right of the ditch, there is a dashed line extending towards the right edge of the map. Above the dashed line, there are two small circles connected by a line, possibly representing a well or a small structure. The entire map is drawn with simple black lines on a white background.

Dear Mr. Woods:

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

Field examinations must be done while the system is in operation. For this reason we concentrate on irrigation permits during the summer months and do examinations on permits for other uses during the non-irrigating months.

If you have any questions regarding the field examination, please contact our office.

Dear Mr. Woods:

One of the conditions of approval of your water Permit No. 37-7493 was that evidence of the extent of development must be submitted to this office on or before August 1, 1979. (See last page of your approved permit). Enclosed is a post card which may be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use post card or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect within 60 days.
