Re: Permit No. 37-7463

One of the conditions of approval of your water Permit No. 37-7463 was that evidence of the extent of development must be submitted to this office on or before May 1, 1981. (See the enclosed order). Enclosed is a postcard which may be used to submit the required proof of beneficial use.

The requirement to submit the statement of beneficial use postcard is provided for in the Idaho statutes.
