Re: Permit No. 37-7226

Attention: Mr. Bobby D. Fleenor,
Assistant Director

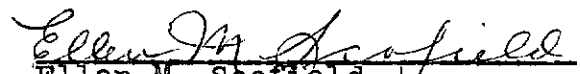

Dear Sir:

I have your letter of June 20, 1973 with
Approved Application for Permit No. 37-7226 (a domestic
well).

I note on the 4th page of the Application
that proof of construction of works and application of
water to beneficial use shall be submitted on or before
July 1, 1974. May we now apply for proof, inasmuch as
the well is installed and has been in use since April
22, 1973? If so, please forward the appropriate Proof
forms. You sent me a proof for our irrigation system,
but I presume there is a similar form for proof of
domestic wells. Also, we would appreciate any instructions
that are pertinent in submitting proof.

Thank you very much.

Sincerely,

Ellen M. Scofield
