MEMO

TO: File

DATE: 6-3-80

FROM: Jim Johnson *Jim*

RE: Visit with Mr. Schernthanner

Mr. Schernthanner came in today in response to correspondence of May 16, 1980, concerning this water rights.

In our discussion of his two permits No's. 37-7104 & 37-7105 it was discovered that the field exam done on permit No. 37-7105 was done on the same well used in permit No. 37-7104. Because of this it was determined that an overlap existed which exceeded the existing use and therefore, the Department had requested the applicant withdraw permit No. 37-7105.

Mr. Schernthanner has another well which supplies two homes with domestic supply which, has an existing license (No. 37-7059) for stockwater and irrigation, but not for domestic.

Permit No. 37-7105 should have another field exam made which would determine the amount of water used for domestic use from this well.

The original field exam is being returned along with a copy of this memo to Southern Region for further action.

Andreas &/or Alice Schernthanner
Box 567
Sun Valley, ID 83353

Dear Mr. & Mrs. Schernthanner:

In reviewing the licenses for the above permits, we had proposed the following:

Permit No. 37-7104 - 0.20 cfs for domestic purposes from a well in the NE $\frac{1}{4}$ Sec. 11, Twp. 4N, Rge. 17E; to be used within the NE $\frac{1}{4}$ Sec. 11; NW $\frac{1}{4}$ Sec. 12, Twp. 4N, Rge. 17E, B.M., with a priority date of June 22, 1971, for eight homes.

Permit No. 37-7105 - Same as above.

Both of these permits are from the same well, have the same priority date for the same use with the same amount. If these permits were both licensed it would constitute a complete overlap of the water rights. Therefore, we propose to issue the license for Permit No. 37-7104 and to have a relinquishment completed for Permit No. 37-7105. This will not injure your water right in any way as you will still be able to divert 0.20 cfs from your well for the domestic use for eight homes. We will refund your \$20 filing fee on Permit No. 37-7105 as soon as the paperwork is completed.

Enclosed is a relinquishment form for Permit No. 37-7105 to be completed and returned to this office as soon as possible. At that time we will proceed to license Permit No. 37-7104. If you have any questions, please contact us.

Dear Mr. & Mrs. Schernthanner:

We acknowledge receipt of the affidavit submitted as proof of beneficial use for the above referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We cannot tell just when this examination will be made, but our examiner will try to contact you at the time he makes the examination so that you may show him the system.

If you have any questions regarding the field examination, please contact our District Office in Twin Falls.

Sincerely,

D. Darlene Reich

Dear Mr. & Mrs. Schernthanner:

37-7104 &
37-7105

One of the conditions of approval of your water Permit No. _____ (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before **AUGUST 1, 1976**. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
