Re: Columbine Partners - Claim to Water Right

Dear Jim:

I apologize for the oversight in not signing the filing fee check. It appears a number of checks went out of our office at that time without being signed. Sorry!

I have enclosed the signed check and the claim. After again discussing the irrigated acreage with the ASCS office in Hailey, I have made the changes indicated on the front page of the claim. Please call me if you have any further questions about the claim.

Thank you.

Sincerely yours,

Dear Mr. Speck:

We are returning the attached Claim to a Water Right for non-payment of the filing fee. The check for the filing fee was not signed.

The Claim appears to be acceptable as filed. You may wish to check the acreage distribution, however. It appears that more than 21 acres in the NESE, Sec. 33 are irrigated. There also appears to be less than 40 acres irrigated in the SESE, Sec. 33, as several acres are covered by buildings.

If you have any questions or if this office can be of further assistance, please feel free to contact us.
