SUBJECT Statement of Beneficial Use

I received this Statement of Beneficial Use for Claim No. 37-4191. Since by the very nature of a claim, it is not necessary to file a proof card, I checked for permits under which proof might be due. I found this permit - 37-7938. Consequently, I am accepting the proof card for it and reinstating the permit with no advance in priority.

I have had this system
in since 1974

Water source is a small
creek. I divert it into
30" wide concrete run-way
with three sets of screens

30" drop into a 8" plastic pipe

I run 86 sprinklers when
I have enough water

I have a concrete dam
across the creek
so I can get all the water
until the trash on the screens
over

Just enough to go over the
dam By cleaning the screens
as often as necessary depending
on conditions I get the water
Some water runs over at start
of season about Jan. 1

In Aug I have about $\frac{1}{3}$ enough
to nothing

I don't know how to put any
kind of measuring device
in this system except what
will go in the 8" pipe
