RE: Claim to a Water Right by Flat Top Sheep Company

Dear Sir:

I have enclosed for filing with your department an executed Claim to a Water Right, together with accompanying Affidavit and our check in the sum of \$20.00 to cover the filing fees. Additional affidavits, as they are obtained, may be filed to support this claim further. We have also attached to the Claim a copy of the map showing the location of the reservoir and the distribution ditch to the place of use. It should be noted that the location of the reservoir is on a dry lava draw that does not flow water to Little Wood River, although it has been referred to as a tributary to Little Wood River on the records of the Department of Water Resources listing dams in the State of Idaho. If you need any further information, please contact this office as soon as possible.

Would you please return to us a copy of the Claim with the filing information on it.
