Re: Claim to a Water Right No. 37-4096 - W. H. Wilson

Dear Mr.

The Department of Water Resources has completed the processing of your Claim to a Water Right, and no further action is authorized under Sections 42-225a and 42-225b of the Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the Court.

As you are aware, the filing of your claim does not, in itself guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with this office.

We are enclosing a copy of the claim for your records. If you have any questions or if we can be of further assistance, please feel free to contact this office.

Sincerely,

Michael L. Steele
