Re: Permit No. 37-2715

Dear Mr. Purdy:

We have received and reviewed your beneficial use affidavit and assignment proposed for the above reference permit. We are returning the application for amendment, as we require a \$5.00 minimum fee, and we will require your reconsideration of the proposed amendment. Under the department's policies, we cannot approve an amendment which would tend to expand the original right. As you are aware, the original permit is for 55 acres of ground, and the amendment proposed would increase that to 80 acres. We would suggest that the NW $\frac{1}{4}$ SE $\frac{1}{4}$ could be deleted and the 20 acres previously dedicated in that subdivision be re-apportioned in the W $\frac{1}{2}$ NE $\frac{1}{4}$. However, in order for the amendment to be approved, we would require that no more than 55 acres be irrigated out of the W $\frac{1}{2}$ NE $\frac{1}{4}$. Therefore, if you would like to reconsider the amendment and return it with a filing fee, we will begin processing.

We will withhold action on the assignment and beneficial use statement until the amendment is cleared. If you have any questions in the matter, please contact us.

Very truly yours,

Donald W. McEldowney
Appropriation Supervisor

Re: Permit No. 32544/37-2715

Mr. Leonard N. Purdy
Pícabo,
Idaho

Dear Mr. Purdy:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department; previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.
