Since Volume was not a part of the license # G-27547, I recommend that the volume amount of diversion from this well be set at 1148 acre feet per Annum for both Permit license # G-27547 (37-2605) and G-32261 (37-2704)

(Submit map on attached plat, showing location and details of above description.)

- What large stream would the water here appropriated finally reach?

Remarks: Mr. Bob Fredericksen along

Our records show Mr. Fredericksen has license # G-27547 (37-2605) for the same P.D. and lands of this permit. The license was issued for 2.60 cfs for 325 acres priority date Sept. 8, 1958. The same diversion works were used under this permit and was capable of diverting 3.78 cfs. The acreage was determined from Aerial photo map and was grid measured at 287 acres. Recommend license be issued for 118 cfs (the difference between 3.78 cfs and 2.60 cfs)

Measured by Coordinate method X = 14" - Y = 12" - D = 10"
X = V = 6.75 X D = 555 = 3.78 cfs.

This examination was made on the 20th day of May, 1970.

Re: Permit No. G-32261 (New No. 37-2704)

Don G. Fredericksen
Route 1
Gooding, Idaho

Dear Mr. Fredericksen:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit, ~~and are now submitting proof of beneficial use~~. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.

Very truly yours,

Donald W. McEldowney
Appropriation Examiner
