Dear Mr. Tews:

Our field examiner's report on his inspection of proof of completion of works and application of water to beneficial use under the terms of Permit No. G-29812 shows the well(s) is (are) capable of conveying 85.5 miner's inches, or 1.71 c.f.s. However, due to the limitations of your permit, we can only allow the amount of water originally requested, the amount of water actually used beneficially, or 1 (one) miner's inch per irrigated acre.

Upon receipt of the statutory fees, totaling \$ 11.00 , we will issue the Certificate of Completion of Works for 1.71 c.f.s. and the License and Certificate of Water Right for 1.71 c.f.s. confirming the right, with priority of June 14, 1961 , to the use of subterranean water with the point of diversion in NW $\frac{1}{4}$ SE $\frac{1}{4}$, for irrigation of 108 acres in S $\frac{1}{2}$ SW $\frac{1}{4}$, NW $\frac{1}{4}$ SE $\frac{1}{4}$, Sec. 23, T. 6 S, R. 18 E, B.M.

Dear Mr. Tews:

Returned herewith is your application to amend the land list, and your application for extension of time for the above referenced permit. You are not required to amend the land list in order to delete land from your completion of works and beneficial use proof.

Therefore we shall advertise your permit using the Forms 36 and 11 received April 29, 1966.

We cannot grant an extension of time for the 40 acres you have deleted and at the same time allow you to prove beneficial use and receive a license for part of a groundwater permit. Therefore if you desire to have a water right for the NW¹/₄NW¹/₄, Sec. 26 at a later date you may apply for a new permit to cover this land.

Please contact us if we may be of further assistance.

Dear Mr. Tew:

The date for proofs of Completion of Works and Application of water to beneficial use, as set out under terms of Permit No. G- 29812 are due not later than **June 15, 1966**

Before these proofs can be made, the statutory requirement is that a notice of your intention of proof be published once a week for four consecutive weeks in a newspaper within the county in which the land is located. In completing the Notice of proof for publication, the information should be taken from your Permit, including any amendments made in connection with a change of point of diversion or land list, which has been recorded in this department. If changes have been made and no amendments are on record, we advise you request a form for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to this department at least FORTY (40) DAYS BEFORE THE MENTIONED DATE, (allowing for four weeks publication). Please give the name of the town, the address of the place where the depositions will be executed, and, the name of the notary public before whom you will appear to make the depositions of proof (this may be at any place convenient for you and your two witnesses), the quantity of water filed; for what purpose it is used; the point, or points, of diversion; and the location of use or the lands which are irrigated - - all by legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice published in the designated county newspaper at your expense. This is to be returned with two Forms 36.

At the time we send the notice to the newspaper we will send to you the forms for the depositions of holder and two disinterested witnesses. It is important that the depositions be executed at the time, on the date set, at the place named, and before the notary public, as advertised in the publication notice.
