Don Spencer
Box 148
Bellevue, Idaho

Dear Mr. Spencer:

We have received the depositions of holder and two witnesses and the affidavit of publication in regard to proof of completion of works and beneficial use of the water.

There is a question whether we can accept the depositions or whether the legal notice must be re-advertised. The legal notice shows you were to make the proofs June 22, 1961, and the depositions show they were made October 5, 1961.

We should have an affidavit signed by R. H. McCoy, before a Notary Public, that his office was open June 22, 1961, and that no protests were received in regard to the proofs under Permit No. G-27949, and also an affidavit signed by you, before a Notary Public, showing why the depositions were not made as advertised.
