Dear Mr. Thomas:

By letter dated October 9, 1964, you advised me that the Union Pacific Railroad Company has permit No. G-25922 on which the proofs were made and the report of the field examiner shows that the certificates of water right can be issued for 2.01 c.f.s. from a well in the NE 1/4 NE 1/4, Sec. 26 for irrigation of 160 acres in the SE 1/4 SE 1/4, Sec. 23; SW 1/4 SW 1/4, Sec 24; NW 1/4 NW 1/4, Sec. 25; N 1/2 NE 1/2, Sec. 26, T. 1 S., R. 19 E.B.M., with priority of Sept. 1, 1955. You also advised in that letter the statutory fees of \$15.00 have not been paid.

I herewith submit to you a check for \$15.00 and an executed copy of an Assignment of this water permit from the Union Pacific Railroad Company to Janss Corporation. This Assignment has the State of Idaho as a third party, and I am enclosing two other copies of the Assignment with the expectation that you would execute those copies for me, and return the same to me so that the Union Pacific Railroad and Janss Corporation can have completely executed copies for their file. You will observe on the top of each copy of the Assignment notations as to who the copies are for. We would like to have returned to us the U.P. copy and the Janss copy, and you retain the State copy.

Would you be kind enough to execute these assignments and also return to me the certificates necessary for this water.

Re: Permit No. G- 25922

Date: July 1, 1960

Winston McCrea
Union Pacific R. R. Co.
Sun Valley, Idaho

Dear Sir:

The date for proofs of Completion of Works and Application of Water to Benefi-
cial Use, as set out under the terms of Permit No. G- 25922 are due not later
than September 2, 1960.

Before these proofs can be made, the statutory requirement is that a notice of
your intention of proof be published once a week for four consecutive weeks in
a newspaper within the county in which the land is located. In completing the
Notice of proof for publication, the information should be taken from your Per-
mit, including any amendments made in connection with a change of point of diver-
sion or land list which has been recorded in this department. If changes have
been made and no amendments are on record, we advise that you request a form
for this purpose before your Notice is published.

We enclose Form 36, in duplicate, which is to be filled out and returned to
this department at least forty (40) days before the above mentioned date,
(allowing for four weeks publication). Please give the name of the town, the
address of the place where the depositions will be executed, and, the name of
notary public before whom you will appear to make the depositions of proof
(this may be at any place convenient for you and your two witnesses), the
quantity of water filed; for what purpose it is used; the point of, or points of
diversion; and the location of use or the lands which are irrigated -- all by
legal land description.

Enclosed also is Form 11, which is the authorization for us to have the notice
published in the designated county newspaper at your expense. This is to be
returned with Form 36.

At the time we send the notice to the newspaper we will send to you the forms
for the depositions of holder and two disinterested witnesses. It is important
that the depositions be executed at the time, on the date set, at the place
named and before the notary public, as advertised in the publication notice.

Very truly yours,
