Dear Mr. Kneeland:

In checking the land list again under Permit No. G-25816 we find that the permit does not include the SE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 13, Township 1 South, Range 19 East, B.M. Since there are 38 acres being irrigated within that forty to be included in the License it is necessary that the permit be amended. We enclose an Application for Amendment to the land list for this purpose. Please return it promptly and the Certificate of Completion of Works and License will be completed and forwarded to you.
