Dear Mr. Dilworth:

This morning's mail brings us the Affidavit of Publication in the Hailey Times, which, together with the depositions of yourself and two witnesses previously received, completes your Proof of Beneficial Use under Permit No. 21673.

Before final action is taken in the matter, the law requires that a field examination be made by an Engineer from this Department.

We cannot say just when this examination will be made as this Department has but one Field Engineer who makes examinations all over the State.

However, he will try to contact you at the time the examination is made so that arrangements may be made to show him over the grounds.

Very truly yours,

Dear Mr. Dilworth:

We acknowledge receipt of your Affidavit in Proof of Completion of Works under Permit No. 21673, accompanied by your check for the \$5.00 fee.

The affidavit is returned herewith for correction as follows:

1. Your name should be written in the first line.
2. The name of the stream or source of water should be given under Question 2.
3. Question 3 should state the Township, as well as the Section and Range.
4. There are several discrepancies in the description as given in your proof and as described in the original Permit. Your proof describes the E $\frac{1}{2}$ SW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 35, whereas the Permit describes the E $\frac{1}{2}$ NE $\frac{1}{4}$ SW $\frac{1}{4}$ of this Section. Your Proof describes the SE $\frac{1}{4}$ NW $\frac{1}{4}$ Section 35 whereas the Permit describes the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of this Section.

In other words, the complete land description as given in the Permit is the NE $\frac{1}{4}$ SE $\frac{1}{4}$ and SE $\frac{1}{4}$ SE $\frac{1}{4}$ Section 26, and the NE $\frac{1}{4}$ NE $\frac{1}{4}$, SE $\frac{1}{4}$ NE $\frac{1}{4}$, E $\frac{1}{2}$ NE $\frac{1}{4}$ SW $\frac{1}{4}$, NE $\frac{1}{4}$ SE $\frac{1}{4}$ and NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 35, all in Township 1 South, Range 21 East, B.M.

Re: Permit No. 21673

Mr. M. J. Dilworth
Box 1461
Carey, Idaho

Dear Mr. Dilworth:

We enclose Permit No. 21673, together with Departmental Receipt No. 22804 for the \$5.75 filing fee.

Your application states that you will require one month within which to complete construction of the works and an additional one month to make Proof of Beneficial Use. We have allowed three months, or until November 30, 1950, within which to make the two statutory proofs necessary to complete the water right. These proofs, however, may be made at any time prior to that date.

The first proof or proof of completion of works is made by executing Form 6 enclosed before a Notary Public, and returning to this Department with a statutory fee of \$5.00, upon receipt and approval of which, a Certificate of Completion of Works will be issued.

The final or beneficial use proof requires publication once a week for four consecutive weeks in a county newspaper, prior to the date set for making proof. Notice should be made in duplicate of Form 10 enclosed, setting the time and place and naming the Notary Public before whom proof is to be made. Both copies of the notice to be returned to this Department together with Form 11 which is your authorization for us to have the notice published in the designated newspaper at your expense.
