APPROVAL OF STATE ENGINEER

The number of this permit is 10480
 Recorded in Book 35 Page 10480 Approved August 8, 1914.
 This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho, and hereby approve the same, subject to the following limitations and conditions.
 Bond in the sum of _____ to be filed on or before _____
 Work to begin on or before October 7, 1914 and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.
 One-fifth of the work above specified to be completed on or before February 8, 1915.
 The whole of said work to be completed on or before August 8, 1915.
 Beneficial use of water appropriated in accordance herewith, to be made on or before August 8, 1916.

Witness my hand this 8th day of August, 1914.

F. P. King, State Engineer.

Remarks. Applicant is all ready the owner of permit No. 8230, under which she has submitted proof of completion of work and of applying water to beneficial use under terms of permit but the water acquired under said permit is insufficient to irrigate the 188 acres to be irrigated thereunder and applicant is desirous of acquiring 1 and one-half cubic foot more per second, and for the purpose last aforesaid proposes to divert the water at the same place as her present permit allows her to divert water and to enlarge the ditch constructed under said permit so that the same will conduct the additional one and one-half foot of water per second in connection with water acquired under said permit to the lands of affiant desired by her to be irrigated thereunder, and described above.

On proper request of the holder of the above numbered permit, I have this 21st day of June, 1915, extended the time for completion of works thereunder to the 8th day of August, 1916.

Malad, Idaho

Boise, Idaho,

Dear Sir:

Under the terms of your Permit No. **10480**, you are required to complete your diversion works on or before **Aug 8 1916**. I enclose herewith blank affidavit to be filled out, sworn to by you before a Notary Public or a Justice of the Peace, and returned to this office on or before the above date, or within ten days thereafter, for the purpose of making proof of completion under the permit. Upon receipt of this affidavit in this office, provided the same satisfactorily shows the completion of the works substantially in accordance with the terms of the permit, together with a fee of \$5.00, a Certificate of Completion will be issued to you.

The certificate to be issued under this proof will not give a perpetual right to the use of water for which application was made, as it only confirms the completion of works of a capacity to divert and convey to the place of intended use a certain amount of water. The law requires that another proof be submitted when the water has been fully applied to a beneficial use, at which time license is issued for the amount of water actually in use. Information in regard to this last proof will be furnished on request.
