Andy Glahn being first duly sworn, upon his oath deposes and says:

That he is the owner and holder of Permit to Appropriate the Public Waters of the State of Idaho No. 8644.

That he intends to change the point of diversion, as described in said permit, to the following point: In the SE $\frac{1}{4}$ of NW $\frac{1}{4}$, Section 7, Township 2 N., R. 21 E. B. M., instead of SW $\frac{1}{4}$ of NE $\frac{1}{4}$ of Sec. 7, T. 2 N. R. 21 E. B. M., as shown by said permit.

That such change will be made for the following reasons, to-wit: That the point of diversion is in the SE $\frac{1}{4}$ of NW $\frac{1}{4}$, Section 7, T. 2 N. R. 21 E. B. M., and the ditch constructed from that point, that there was an error in the application filed in describing the point of diversion and it is erroneously described as being in the SW $\frac{1}{4}$ of NE $\frac{1}{4}$, said Section, township and range.

That no one will be injured by such change and that deponent will make such change at his own risk.

And further deponent saith not.
