MEMORANDUM

TO: Jeff Peppersack (IDWR)
FROM: Travis Thompson
DATE: 7/29/04
RE: Additional Acres Legal Description for Exhibit (Bell Rapids / TFCC/NSCC Water Lease Agreement)

Here's the legal description for the remaining 313.5 acres not identified on the two maps I provided for the exhibit to the water lease. It is a land unit on Bell Rapids' project:

T. 7 South, R. 12 East, B.M. Section 26, NE $\frac{1}{4}$, W $\frac{1}{2}$ SE $\frac{1}{4}$, and SE $\frac{1}{4}$ SE $\frac{1}{4}$, also Section 35, NE $\frac{1}{4}$ NE $\frac{1}{4}$, Twin Falls County.

I spoke with Phil Rassier this morning and indicated I could provide a color map of the one identifying the 2,750.2 acres once I return to Twin Falls. Please let me know if you need anything else on this matter. Thanks.

Per Travis, $5413 + 2750.2 + 313.5$ acres
is $>$ the 8201.9 specified in lease.

The 8201.9 should be considered to be
within the total described area.
