Dear Mr. Carter:

I herewith enclose abstract of title and my check for one dollar, which I believe will close the matter of obtaining certificate of transfer in the case of application for transfer, Florence E. Baird, affidavit of publication of notice of hearing having been heretofore furnished you.

The original license in this case was issued to John D. Baird, as your records will show, and hence the abstract starts with him. There have been a number of transfers back and forth between the different members of the Baird family, but it will work out to show title of fifty inches of the waters of Box Canyon to be in Florence E. Baird.

The certificate of transfer is needed for filing in the Land Office in connection with a desert land entry which Mrs. Baird has made, and I am very anxious to get the certificate so that I may file the same by November 15. Hence, I trust you will give this matter your early attention and very much oblige.

With personal regards, I am

In reply to your letter of May 22nd relative to transfer of water right of Mr. ~~Baird~~ D. Baird, would say that the application for transfer was received by us and forwarded to, Mr. Ravenel Macbeth, then water commissioner of the 2nd division, but the completed papers were never returned to us, hence the certificate was never issued. A short time ago we took the matter up with Mr. Macbeth and he referred us to Mr. Leon Fuld, who acted as agent for him at Hailey. We wrote to Mr. Fuld but have not received an answer. I would say, however, that, if Mr. Baird will send us the affidavit of publication, together with an affidavit showing that no one appeared on the date set for hearing to protest against the transfer, and will fill out the duplicate application herewith enclosed, we will issue the certificate.

Very truly yours,

F. P. KING,

State Engineer.
