This form has been prepared to assist persons having a security interest in a water right to request notification from the Department of Water Resources (IDWR) regarding any change in ownership of the water right or of any proposed or final action to amend, transfer or otherwise modify the water right as provided in Section 42-248(6), **Idaho Code**. The filing of a request for notification is a voluntary action by the holder of the security interest and is not required by law.

1. Please enter the water right or adjudication claim number(s) at **Item 1**. If you believe there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the request without documentation of a security interest. Common types of documentation are shown.

The notification period can be renewed by completing a new form with the appropriate fees as shown below. If the security interest is terminated prior to the expiration date requested, the holder must notify IDWR within 60 days of termination.
6. At **Item 6**, please indicate if this is a renewal of a prior notice.
7. The person(s) desiring notification must sign the form in the space(s) provided at **Item 7**. For corporations or other organizations, the person signing must be an officer of the corporation or otherwise have authority to sign for the organization and must include their title with the signature.

MORTGAGOR ABSOLUTELY AND UNCONDITIONALLY ASSIGNS, transfers, conveys and sets over to Mortgagee all the rents, royalties, issues, profits, revenue, income and other benefits of the property arising from the use or enjoyment of all or any portion thereof or from any lease, mineral lease, or agreement pertaining thereto (collectively the "Rents"); SUBJECT, HOWEVER, to the right, power and authority given to and conferred upon Mortgagor by Paragraph 16 hereof. The following described Note(s), all Membership Agreements, Loan Agreements, security documents and any other documents or instruments signed in connection with the Note(s) and security documents and any amendments thereto are collectively called the "Loan Documents." "Advances" shall include any amounts provided to Mortgagor under the terms of the Loan Documents and any amounts expended by Mortgagee to protect the Property or enforce its rights under the Loan Documents.

FOR THE PURPOSE OF SECURING: (1) payment of the indebtedness or obligations evidenced by the following promissory note(s) and/or guaranties executed by Mortgagor and/or others to the Mortgagee at the times, in the manner and with interest as therein set forth (notes may contain variable or adjustable rate provisions):

(2) the payment of such additional loans or advances, including advances under a revolving line of credit, with interest thereon, as hereafter may be made to Mortgagor, or Mortgagor's successors or assigns, and/or to parties whose obligation Mortgagor is guaranteeing, evidenced by a promissory note or otherwise and any obligations evidenced by any guaranties executed by Mortgagor in favor of Mortgagee; PROVIDED HOWEVER, THAT, such additional loans, advances, guaranty obligations shall be secured by this Mortgage only if the promissory note, guaranty, or other document evidencing such loans or advances shall recite that it is to be secured by this Mortgage; (3) the payment of any substitute notes, renewals, reamortizations, and extensions of all indebtedness secured by this Mortgage; (4) the performance of every obligation and agreement of Mortgagor whether contained or incorporated by reference in this Mortgage, or contained in any loan document or guaranty executed by Mortgagor in favor of Mortgagee, with respect to any loan, advance, or guaranty secured by this Mortgage; and (5) the payment of all sums expended or advanced by Mortgagee under or pursuant to the terms of this Mortgage, together with interest thereon as herein provided. The continuing validity and priority of this Mortgage as security for future loans, advances or guaranties shall not be impaired by the fact that at certain times hereafter there may exist no outstanding indebtedness from Mortgagor to Mortgagee or no commitment to make loans or advances.

Mortgagor and each of them REPRESENT, WARRANT, COVENANT and AGREE:

1. That they have title to the Property free from encumbrances, except as previously disclosed in writing to Mortgagee, they have good right and lawful authority to convey and encumber the same; they will warrant and defend the same forever against the lawful claims and demands of all persons whomsoever; and they agree this covenant shall not be extinguished by foreclosure or other transfers.
2. That this mortgage also constitutes a Security Agreement granting Mortgagee a security interest in any and all personal property described above.
3. To keep all buildings and other improvements, now or hereafter existing, in good repair, not to remove or demolish or permit the removal or demolition of any building or other improvement; to restore promptly in a good and workmanlike manner, any building or improvement, which may be damaged or destroyed; to maintain and cultivate the Property in a good and husbandlike manner, using approved methods for preserving the fertility and productivity thereof; not to change or permit change in the use of the Property; and not to do anything which would reduce the value of the Property.
4. To maintain casualty insurance, naming Mortgagee as loss payee, on all buildings and improvements, against loss or damage by fire or other risks; to maintain liability insurance; to obtain flood insurance at any time it is determined that any building or improvement is located in whole or in part within a special flood hazard area; to pay all premiums and charges on all such insurance when due; and to provide Mortgagee satisfactory evidence of such insurance upon request. All such insurance shall be in such form(s), with such company(ies) and in such amount(s) as shall be satisfactory to Mortgagee. Failure to maintain the required insurance coverage constitutes an event of default.
5. Not to apply or enter into any federal, state, or local program which limits or restricts the use of the Property, in any way, without prior written consent of Mortgagee.
6. To pay all debts and money, secured hereby, when due; to pay, when due, all taxes, assessments, rents and other charges upon the Property and to suffer no other encumbrance, charge or lien on the Property, which would be superior to this mortgage, except as previously disclosed in writing to Mortgagee.
7. To specifically assign and deliver to Mortgagee all rents, royalties, damages and payments of every kind, including without limitation insurance reimbursements and condemnation awards, at any time accruing, for any transfer, loss or seizure of the Property, any portion thereof or any rights therein; and Mortgagee may, at its option, apply such amounts in any proportion to any of the indebtedness hereby secured; and Mortgagee shall have the right to enter upon the Property to make full inspection of the Property.

8. To comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property and its use, including without limitation all environmental laws; not to use or permit the use of the Property for any unlawful or objectionable purpose or for any purpose that poses an unreasonable risk of harm, or that impairs or may impair the value of the Property, or any part thereof; not to apply residue from waste water treatment facilities to the Property without prior written consent of Mortgagee; to remedy any environmental contamination or violation of environmental laws that may occur or be discovered in the future; to allow Mortgagee access to the Property to inspect its condition and to test and monitor for compliance with applicable laws (any inspections or tests made by Mortgagee shall be for Mortgagee's purposes only and shall not be construed to create any responsibility or liability on the part of Mortgagee to Mortgagor or to any other person), to forward copies of any notices received from any environmental agencies to Mortgagee; to provide Mortgagee copies of any independent test or inspection reports on the environmental status of the Property; and to indemnify and hold Mortgagee, its directors, employees, agents and its successors and assigns, harmless from and against any environmental claims of any kind, and all costs and expenses incurred in connection therewith, including, without limitation, attorney's fees.
9. That, except as disclosed in writing to Mortgagee, neither Mortgagor nor, to the best of the Mortgagor's knowledge, any prior owner has created or permitted conditions on the Property, which may give rise to environmental liability; no enforcement actions are pending or threatened; no underground tanks are located on the Property except as already disclosed; any such underground tanks currently or previously located on the Property do not now and never have leaked and no contaminated soil is located on the Property; and Mortgagor's representations, warranties, covenants and indemnities herein and in the Loan Documents shall survive satisfaction of the Note(s) and Loan Documents, foreclosure of this mortgage, acceptance of a deed in lieu of foreclosure or any transfer or abandonment of the Property.
10. To perform all terms and conditions of each water or other contract, described above, if any, and to promptly pay all sums due or to become due under each contract so that no delinquency or default will occur under such contract(s); to perform all acts necessary to perfect and maintain any water permit, certificate, license or other water interest, however designated, described in or used in conjunction with the real property described above; any assignment of any such interest during the term of this mortgage, naming Mortgagee as an assignee shall be for security purposes and shall not alter Mortgagor's obligations hereunder; and any failure of Mortgagor to perform any such obligation shall constitute an event of default.
11. That the term "Grazing Rights," as hereinafter used refers to that portion of the Property, if any, consisting of grazing leases, permits, licenses, privileges, and preferences, or any of them, which have or will be assigned, mortgaged or waived to Mortgagee, together with any additions, renewals, replacements or substitutions thereof; if any portion of the Grazing Rights is a leasehold interest, such leasehold shall be considered to be real property; such leasehold and all other real property portions of the Property constitute a single operating unit; and in the event of foreclosure, Mortgagee shall have the right to have such leasehold and the other real property sold as a unit and not in parcels; any statements and representations in any applications for Grazing Rights are true and correct; Mortgagor has received no notice that the Grazing Rights have or are to be terminated, canceled or modified; and any termination or cancellation of any of the Grazing Rights shall constitute an event of default under this mortgage.
12. To execute any instrument deemed necessary by the Mortgagee to assign, mortgage or waive such Grazing Rights to the Mortgagee; to pay all fees and charges, and to perform all acts and things necessary to preserve and keep in good standing the Grazing Rights; to take no action which would adversely affect the Grazing Rights; to procure renewals of the Grazing Rights upon or prior to their expiration date; to operate the lands covered by the Grazing Rights in conjunction with the other real estate portion of the Property and not to convey or attempt to convey either separately; to forward to Mortgagee copies of any notices received by Mortgagor regarding the Grazing Rights; and in the event of foreclosure of this mortgage, to waive all claims for preference in the Grazing Rights upon demand from the purchaser of the Property at foreclosure sale, or from any successor to such purchaser.
13. That if the Property is within an irrigation block and/or subject to water service contract(s) governed by the provisions of "Federal reclamation law," and the regulations issued thereunder, Mortgagor shall comply with the terms and provisions of said laws, regulations and contracts; Mortgagor, and each of them, for themselves, their heirs, successors and assigns, hereby appoint Mortgagee their attorney-in-fact to select and designate the portion of the Property to be subject to a recordable contract, in the event Mortgagor becomes subject to the excess land limitation; if Mortgagor fails to comply with the terms of said law, regulations or contracts, or if the delivery of water for the irrigation of the Property is discontinued in whole or in part, Mortgagor shall be in default; in the event the Bureau of Reclamation determines that continued drainage maintenance on the Property is no longer

feasible, and Mortgagor purchases other lands offered as a preference purchase right (as an adjustment for wetlands), Mortgagor shall execute a supplemental mortgage on such lands in favor of the Mortgagee; and failure to execute such mortgage on demand, shall constitute an event of default.

14. That in the event of default in any of the covenants or agreements herein, or in any of the Loan Documents, Mortgagee may, at its option perform the same, in whole or in part; any advances, including, without limitation, attorney fees or costs, paid or incurred by Mortgagee to protect or enforce its rights under the Loan Documents, in bankruptcy, appellate proceedings or otherwise, shall be payable on demand and shall become a part of the indebtedness secured by this mortgage.
15. That the indebtedness and obligations secured by this mortgage are personal to the Mortgagor and are not assignable by Mortgagor; Mortgagee relied upon the credit of Mortgagor, the interest of Mortgagor in the Property and the financial market conditions then existing when making this loan; if Mortgagor sells, transfers or conveys or contracts to sell, transfer or convey the Property, or any portion thereof, or if the ownership of any corporation or partnership, owning all or any portion of the Property shall be changed either by voluntary or involuntary sale or transfer or by operation of law, without prior written consent of Mortgagee, or if Mortgagor defaults in the payment of the indebtedness, or with respect to any warranty, covenant or agreement in the Loan Documents or if a receiver or trustee for any part of the Property is appointed, or if any proceedings under the bankruptcy or insolvency laws is commenced by or against Mortgagor, or if Mortgagor becomes insolvent, or if any action is commenced to foreclose or enforce a lien on any portion of the Property, then, Mortgagor shall be in default hereunder.
16. That prior to any default by Mortgagor in the payment, observance, performance and discharge of any condition, obligation, covenant, or agreement of Mortgagor contained herein, Mortgagor may, for collection and distribution purposes only, collect and receive the Rents as they come due and payable; the Rents are to be applied by Mortgagor to the payment of the principal and interest and all other sums due or payable on any promissory note or guaranty secured by this Mortgage and to the payment of all other sums payable under this Mortgage and, thereafter, so long as the aforesaid has occurred, the balance shall be distributed to the account of Mortgagee.
17. That time is of the essence and in the event of default, at Mortgagee's option, the entire indebtedness secured hereby shall forthwith become due and payable and bear interest at the rate set forth in the Loan Documents for delinquent payments; Mortgagee shall have the right to foreclose the lien of this mortgage, to have a receiver appointed in any court proceeding; to collect any rents, issues and profits from the Property and apply them against the indebtedness hereby secured and to exercise any rights and remedies available under the Uniform Commercial Code for the state in which the property is located; and reasonable notice if required by such Code shall be five (5) days.
18. That the failure of Mortgagee to exercise any right or option provided herein, at any time shall not preclude Mortgagee from exercising any of such rights at any other time; the covenants and agreements contained herein shall be binding on and inure to the benefit of the parties and their respective heirs, successors and assigns; all rights conferred on Mortgagee are cumulative and additional to any rights conferred by law; and no election by Mortgagee to pursue one remedy or item of collateral shall be deemed to be a release or waiver of any other item of collateral or a release or modification of the liability of Mortgagor or any guarantor to pay and perform in full all obligations to Mortgagee. If any provision is found to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof and the mortgage shall be construed as though such provision had been omitted. The procedures governing the enforcement by Mortgagee of its foreclosure and provisional remedies against Mortgagor shall be governed by the laws of the state in which the Property is located.
19. That Mortgagor will provide current financial statements as requested by Mortgagee at least annually and at any time when the loan is delinquent or otherwise in default.
20. That if Mortgagee determines at any time to sell, transfer or assign the Note, this Security Instrument and any other Loan Documents, and any or all servicing rights with respect thereto, or to grant participations therein ("Participations") or issue, in a public offering or private placement, mortgage pass-through certificates or other securities evidencing a beneficial interest in the loan ("Securities"), Mortgagee may forward to each purchaser, transferee, assignee, servicer, participant, investor, or their respective successors in such Participations and/or Securities (collectively, the "Investor"), any rating agency rating such Securities and each prospective Investor, all documents and information which Mortgagee now has or may hereafter acquire relating to the indebtedness and to the Mortgagor, any Guarantor, any Indemnitors and the Mortgaged Property, which shall have been furnished by Mortgagor, any Guarantor or any Indemnitors, as Mortgagee determines necessary or desirable.

21. That Mortgagor shall, at the request of Mortgagee, execute such other documents or instruments in connection with this mortgage as Mortgagee may reasonably deem necessary.
22. That Mortgagor and each of them join in this instrument for the purpose of subjecting each of their right, title and interest, if any, in the Property, whether of record or otherwise and including any right to possession, to the lien of this mortgage.
