Gentlemen:

Our client, Kona Residence Trust, has recently purchased some property in Teton County near Tetonina from Teton Ridge Associates. In connection with the closing of that transaction we secured assignments of four permits from the partnership to the new purchaser. They are permits #22-7525, #22-7587, #22-7588, and #22-7589. The original assignment documents are enclosed with this letter for filing.

We were also advised that because proof of beneficial use was submitted on permit #22-7525 prior to 1987, it would be desirable for us to file an SRBA claim. We are in the process of preparing that document, and as soon as it is complete we will send it in for filing.

Thank you for your kind and continued assistance.

Yours very truly,
