Dear Mr. Little:

Enclosed is a claim to a water right and check #92-239 for \$30 that were received by this office and a retyped claim.

In reviewing the claim that you submitted, item 5B mentions fish propagation and item 6B mentions stockwater. Neither of these uses are claimed in item 3, only irrigation is claimed. If fish propagation and stockwater have been used since June 1, 1940 then those uses should be reflected in item 3 describing the purpose for which water has been used. In filing for stockwater complete in item 6B "NOTE" the number and type of stock.

Please review the typed claim, sign in front of a notary and return to this office along with the \$30 filing fee.
