Dear Kim:

Enclosed you will find two claims for the City of Tetonla and checks #92-239 for \$60.00.

Several items need correction or completion.

Line 1; Date of Priority, must have a month, day and year to the best of your knowledge.

Line 2 - Groundwater (a true well) will not be tributary to any water course. Eliminate North Leigh Creek on the claim.

Line 3 - A quantity must be listed for the claim to be processed. Your period of use should state 1-1 to 12-31. You have until June 30, 1983 to file your claim if a quantity needs to be established.

Line 4 - Total quantity used (same as Line 3)

Line 5 - Point of Diversion and map on Claim "A" do not match. This must be corrected.

Line 6 - Instead of marking "x" for place of use you may put City of Tetonia instead.

When these items are complete you may submit the claims with a \$30.00 fee for each one.

Sincerely,

HAROLD W. JONES
