Gary L. Hill

Dear Water Right Holder(s):

Our office is in receipt of your correspondence in regards to the above referenced water right. In reviewing the file I find that the water right is a Claim.

In Idaho, a claimed water right is considered real property and is aquired when the property to which it is appurtenant to is purchased. Proof of owning the land is proof of owning the water right claim, if the previous land owner did not exclude it from sale.

I have put the Assignment into the file for future reference only and no other action will be taken. I have also enclosed a copy of the Claim for your records.

If you have any questions please feel free to contact our office.

Sincerely,

JIM JOHNSON
Water Rights Supervisor
