Exempted from this filing are single family domestic uses as defined in Section 42-230(d), Idaho Code. Also exempted are rights represented by a permit, license, decree, adjudicated right, or a previously filed claim.

The filing of this claim does not confirm the water right claimed but failure to file may result in forfeiture of a water right.

Dear Mr. Hopkins:

We are returning your claim to a water right along with the claim for Triple H. Ranches and the 2 checks #92-42 and #92-301 for \$30.00 each for the statutory filing fee. Our review of these claims revealed they were generally acceptable, however, before they can be receipted, item 5 should identify each 40 acre subdivision where the cattle have direct access to the stream for drinking water. With this information added, please return both the checks and claims to this office for processing.

If you have any questions concerning this matter please contact our office.

Respectfully submitted,
