Dear Mr. Nagel:

It has been brought to our attention that on or about  
February 27, 1968, you had a well drilled. The  
well is reported to be located at a point in the NE 1/4  
SW 1/4, Sec. 16, T. 8 N., R. 41 E. B. M. for  
irrigation use.

A search of our records has failed to find your applica-  
tion or approved permit. Under existing Idaho Statutes,  
Sections 42-226, 42-229, and 42-230 of the Idaho Code, you are  
required to file and obtain an approved permit before you  
divert waters from a subterranean source, with the exception of  
domestic wells which are defined under Section 42-111 of the Idaho  
Code.

If we have overlooked your permit, please advise the  
Department as to your permit number. However, if you have not  
yet filled out an application for permit, please use the instruc-

We will be very happy to assist you with any questions you  
might have.
