IN the horse and buggy days, probably 1914 or
1915, going to a party, by buggy, given by

To get water for domestic
use household and live stock, the Myers
had a ditch dug that ran by the Ranch

what is known as Ice House Creek.

The ditch then ran down into
a lake or Pond, where as I understand
at one time they would put up ice in
the winter time - giving the name of
Ice House Creek to the stream.

Re: Mrs. Barbara Obre
Water Rights on Ice House Creek

Dear Mr. Johnson:

In response to your letter of January 13, 1978 enclosed please find a check in the amount of Ten Dollars (\$10.00) to cover the statutory filing fee. I have reviewed the application and find it to be in order.

I want to take the opportunity to thank you for your assistance in processing this application as we eastern greenhorns are unfamiliar with the western land description methods.

If there is any further information I can furnish to help substantiate Mrs. Obre's water rights please feel free to contact me.

Once again, thank you.

Sincerely yours,

Lawrence M. Garten

Dear Mr. Garten:

I have reviewed the claim to a water right you submitted for Ms. Barbara G. Obre and have made some omissions and additions including the map on Page 2.

Mr. Pat Kenyon is not available, at this time, to give me any assistance. Therefore, I have located the point of diversion as it is shown on the USGS Quad map. I have enclosed a zerox copy of the map showing Icehouse Creek, in the solid blue line; and the diversion ditch being the dash-three-dot line leading to the reservoir from the point of diversion on Icehouse Creek.

If this meets with Ms. Obre's approval, please return with the statutory filing fee of \$10.00 for further processing.

Very truly yours,

LOY H. JOHNSON

Re: Water Rights for Barbara G.
Obre on Icehouse Creek

Dear Mr. Johnson:

Pursuant to our conversation on October 17, 1977, I am enclosing herewith a Claim to Water Right as well as supporting affidavits. You indicated to me when we spoke that if I sent this information you could get together with Mr. Pat Kenyon and pinpoint the coordinates of the exact location of the water diversion.

Please do whatever you can to complete the above mentioned part of the application. If I can be of any further assistance please feel free to call me collect. Your cooperation in this matter is greatly appreciated. Have a happy and healthy new year.

Very truly yours,

Lawrence M. Garten
