Re Permit 9592.

Mrs. Nancy Stocks,
Teton City, Idaho.

Dear Ma'am:--

In looking over the report of the engineer, I note a discrepancy in the description of the locations of points of diversion. The permit gives the SW $\frac{1}{4}$ of SE $\frac{1}{4}$, Sec. 23 and the NW $\frac{1}{4}$ of SE $\frac{1}{4}$, Sec. 26, while the report shows the points to be in the NE $\frac{1}{4}$ of SW $\frac{1}{4}$, Sec. 23 and the NE $\frac{1}{4}$ of NW $\frac{1}{4}$, Sec. 26. To correct this discrepancy, you should file an affidavit upon the enclosed form, supported by maps in duplicate.

Very truly yours,
