Mr. Petersen

I am trying to coordinate a pre-hearing conference concerning the transfer application #5485 that JR Simplot Comp. filed last year. This application sought to dry up irrigated ground & utilize the water for dust suppression on the haul roads.

The point of contention was the use of Sage Creek Water and this was protested by Raymond Petersen.

I will need you to contact me within 14 days to schedule the requested conference on this matter.

Sincerely,

Harold W. Jones
Water Right Supervisor
