Re: Review of Water Rights in the Bank for Rental and Use in Temporary Exchange

The attached shows the water rights to be rented in addition to 2-10205 (Bell Rapids) to North Side Canal Co. and Twin Falls Canal Co for the temporary exchange with Bureau of Reclamation. The data also shows the calculations of volume for the period between April 10 to August 31 for use in the exchange.

april 10 through august 30 volume is 80.65% of annual volume

BRMIC Lease 32807.6 af

32807.6 af x .8065 = 26458.9 af (april 10 through august 30)

50111 af - 26458.9 af = 23652.1 af (needed)
